## President Note

*Do you know how great a neighborhood we live in? Do you REALLY know? The best way to learn is to meet your neighbors. We have a GREAT way to meet some of your neighbors this month. Check out the **Neighborhood Block Party** information posted in this issue. Another way is to just say "hi" to your neighbors when you see them. Stop and talk. Even if it is someone you have already prejudged before you ever tried to meet him or her. That person may be just as afraid of you as you are of them. You could even make this the year your mend some bridges year. A peaceful neighborhood is a SECURE neighborhood. Get to know; and/or make peace with; your neighbor and enjoy life in general. Neighbors looking out for neighbors make a secure and friendly neighborhood. Let's strive to be that kind of neighborhood.*
