

President's Note

Do you know your District Director? Do you know who the Board Members are? Do you know what they do? Learn who they are by name by logging on to the Hearthstone Website and by turning over to page two of this newsletter. Learn what they do by attending a Board meeting now and then. But let me tell you who they are beyond their names. They are volunteers that care about keeping our neighborhood clean, efficient, and property values up. They are residents that are willing to contribute some of their valuable time for OUR NEIGHBORHOOD. They are residents just like you and I. So the next time you talk to a Board Member, and please do talk to them, realize they are GIVING their time to help improve things. We ask that ALL of you help in any way you can to make their job easier. Show them your appreciation with your constructive suggestions and a few hours of your time per year. One hour a year is better than none. I am personally VERY proud of our Board Members for the job they do and they do it with no monetary gain for themselves outside of keeping property value at its' best. THANK YOU Hearthstone Directors!!

Spring Garage Sale

The spring association garage sale is set for May 21st and 22nd. We are coordinating with Millstone's association garage sale to maximize foot traffic. Mark the dates on your calendar and let's make this garage sale the best one yet! If you have any questions, be sure to contact Raven Quinn at (616) 425-1371 or email her at:

Great American Clean-Up

The Hearthstone Neighborhood Association will again be participating in the Great American Clean-up on Saturday May 15, 2010. This is a national litter cleanup and beautification program recognized by over 10,000 communities across the United States and Canada. The City of Fort Wayne (along with its sponsors) will provide our group with gloves, trash bags, volunteer t-shirts, and a roll-off dumpster. In past we've hosted a pizza party for the volunteers following the clean-up, and this year we'll be doing the same.

Please show your pride and plan to join us in cleaning up our common areas, streets, and drainage ditches within our association. The typical list of chores include: removing litter, debris, overgrowth and dead vegetation from these areas, and re-staining the wood bridges along our pathways.

We will congregate for a short instructional meeting at 9:00 am just east of Deer Brook on Fox Orchard Run, and then begin the cleanup efforts. If you have a special project in mind, or would like to register as a volunteer, please call Wes Downing, Hearthstone Maintenance Director at 489-9912. Your neighbors will appreciate your help!
